One can have a dream baby,  
two can make the  
dream so real.

One can talk about living love,  
two can see how it really feels.

One can wish upon a star,  
two can make a wish  
come true.

One can stand alone in the dark,  
two can make the light  
shine through.

It takes two baby,  
it takes two baby.

Just me and you,  
you know it takes two.
