ben dover, enjoy!

may we introduce a brand new typeset named ben dover. ben is a member of la famiglia called sans serif [-una offerta che nessuno può dire no.] their roots have been traced way back in the nineteenth century england where the first member of sans serif family was born. ben you're looking at now [call me pena], is a bastard son of a group of confused art students in rovaniemi.

ben is a bit heavily built character, but his mass guarantees there's no tougher guy in rovaniemi. ben is the biggest! [-i'm gonna whoop your ass!]. yet ben is round, sympathetic and friendly he just, like most finns, needs some personal space. there is nothing delicate in ben so let him come out big! give him some room, fellas!!!
