

Face the light
ReneSans

The first and the second coming

If there is any luck in birth, it is a happy event. Let's say we decide to conceive and then just wait toothlessly for the birth. So little can be done for the cookies while they are in the oven. What is done is done.

He's birth was different. He had to be delivered. He was formed in the beginning and reformed in the middle and in the end. Actually, there was a time when he was a slightly different person. He was ment to be the Renaissance man. He's now just Rene conceived by Renaissance.

He is accepted.

" hmmm..don't know how to say it... It's so hard to say..."

- Rene's first words

"Here up north you face
the light from the inside,
I guess."

" Finally I can see the light..."
